SB INDEX
7-27-81

SUBJECT: SERVICE BULLETIN INDEXES
VEHICLES: ALL MODELS

GENERAL

INFORMATION: Attached are two new service bulletin indexes:

● 1981 Service Bulletin Index

- All service bulletins released during 1981 as of this date have been listed in the new index.
- There are also blank spaces provided in each section to log future bulletins.

NOTE: Discard existing index presently in front of Service Bulletin Binder.

● Master Service Bulletin Index

- All existing service bulletins released to the dealer network up through 1980 have been listed in this index.
- These bulletins may be found in the new service bulletin booklet, Print No. 900003547.

Please insert both the new 1981 and Master Indexes in front of the Service Bulletin Binder for easy reference.
