

SERVICE BULLETIN No

40-3

DATE: 12/30/86

SUBJECT: BRAKE SYSTEM

VEHICLES: 328 GTB / GTS

The components indicated below of the 328 GTB / GTS braking system have been modified for standardization with similar components employed on the GTB / GTS Turbo of present production (Italian Version).

The new parts which are interchangeable with the corresponding previous one, are shown in the following table:

FERRARI PART NO.		DESCRIPTION	IN PROD. STARTING W/ C.N.	REF. TO : SPARE PTS CATALOG 328 GTB / S - Nov. 85
NEW PART	PART REPLACED			
131359	124373	Rear brake pressure regulator	64963	TAV. 32 - NO.17
131008	124514	Brake booster, for L.H. drive	67251	TAV. 31 - NO. 5

Please update your Spare Parts Catalog (328 GTB / GTS) to reflect these part substitutions.
